LITTLE NEPHEW WINS STAKE

M. B. GRUBER'S GOOD TWO-YEAR-OLD CARRIES 125 POUNDS TO VICTORY IN ADIRONDACK.

Gainer, Probably Best in Race. Is Victim of Poor Horsemanship—Saratoga Has Heavy Rainfall, but Track Remains in Good Condition.

Saratoga, N. Y., August 27. Although rain fell here during the greater part of last night and early this morning, it did not greatly affect the going. The track was on the slow order, but remained in good condition. Scratches were numerous and the fields were reduced considerably, yet good sport resulted and well-backed horses won most of the races.

The Adirondack Handicap, for two-year-olds, was the day's chief event and M. B. Gruber won it with Little Nephew. The latter picked up 125 pounds and, after racing Mr. Sulzberger into submission, had enough left at the end to withstand Black Broom's challenge. Gainer, J. L. Holland's representative, was best in the race and but for Borel's action in pulling up at the start, could hardly have lost the first money, as he went around the others and finished a good fourth.

The tabular history of the Adirondack Handicap is as follows:

| Year. | Winner. | Wt. | Jockey. | Val. Time. |
|-------|----------------|-----|----------|------------|
| 1901 | Smart Set | 114 | O'Connor | 1:34.25 |
| 1902 | Molly Brant | 106 | Odum | 1:33.75 |
| 1903 | Sweet Gretchen | 102 | Fuller | 1:32.50 |
| 1904 | Broadcloth | 113 | T. Burns | 1:33.50 |
| 1905 | Tangle | 110 | O'Neill | 1:33.50 |
| 1906 | Salvatore | 108 | Seawell | 1:33.75 |
| 1907 | Beaumont | 110 | E. Dugan | 1:34.00 |
| 1908 | Sea Cliff | 114 | Notter | 1:35.00 |
| 1909 | Scarpia | 102 | C. Grand | 1:32.50 |
| 1910 | Zeal | 110 | Butwell | 1:33.00 |
| 1911 | Little Nephew | 125 | Kilworth | 1:32.50 |

No racing in 1911 and 1912.

As an attraction for Labor Day, when the meeting will come to a close, there will probably be a special race to determine the best three-year-old of the year, August Belmont's Rock View and Frederic Johnson's Cock of the Walk being among those slated to contest for the title. Cock of the Walk has been a much improved colt since he came here, winning three good stakes, while Rock View has generally been considered the pick of his age. Should the race be arranged, there is every reason to believe it will be, there will be no side bet and no purse offered by the association, the only thing to be added will be a silver cup which the losing owner will present to the winner. The distance is to be either a mile and an eighth or a mile and a quarter, each to carry 112 pounds. Frederic Johnson is willing and the matter is now up to Mr. Belmont, who will give his answer this evening.

Trainer W. H. Karrick went after trainer Harry Rites again today when Joe Knight won the opening dash and made him pay \$500 to protect that horse. Karrick is getting even with Rites for taking Gates from him last fall and has already bid Joe Knight up in both races that he has won. As a rule Karrick does not carry off others in selling races and this is the first time he has been a bidder in years.

It was figured today that the Futurity, which will be run on Saturday, will be worth about \$20,000. After deducting the breeders' allowances and the amount for second and third horses, there will be about \$15,000 for the winner, making it the richest stake of the year. Robert Davies' candidate, Southern Maid, was given a trial for the race this afternoon, while The Fisher as a companion, worked five eighths in 1:11.2.

The program for the extra day of racing on Labor Day was issued today. The features are handicaps for three-year-olds and upward at one mile and a quarter and two-year-olds at seven furlongs. There will be added \$800 in each event. The other races are a handicap at six furlongs, steeplechase handicap, two miles, selling handicap, one mile, and a five and a half furlongs dash for two-year-old fillies and geldings which have not won more than one race.

District Attorney Charles N. Wyson, of Nassau County, New York, has been recommended by the Democrats to succeed himself.

OTTAWA MEETING OPENS AUSPICIOUSLY.

Fent, Well Served by Heavy Going, Wins Hotel Selling Stakes for F. J. Pons.

Ottawa, Ont., August 27. The fall meeting of the Comnaught Park Jockey Club opened auspiciously this afternoon. In spite of lowering clouds, fully 10,000 persons graced the occasion by their presence. The Lansdowne Handicap, the feature event of the day, and the Hotel Selling Stakes were the special racing features. Long-priced winners took the lion's share of the purses.

Francis J. Pons' Hastings-Bellegarde gelding, Fent, a super good and runner, was returned winner of the Hotel Selling Stakes, the feature event of the day, over G. M. Hendrie's Bibo Brigade and W. R. Mizell's Terrible Bill, the well-backed favorite. Fent followed the leaders to the head of the stretch, then had little trouble in coming away to win with ease.

Secondary interest was the running of the Capital Steeplechase, the first cross-country race ever run in this vicinity. C. N. Douglas furnished the winner in Lizzie Flat, ridden by Walter Now, whose skillful ride was largely responsible for the mare's victory. The race was marred by accidents, some on coming to grief at the tenth jump, while Luckola and Jack Dennerden, the choicest, bolted at the second jump.

J. E. Newman's Pan Zarzeta accounted for the Lansdowne Handicap, a sprinting affair at three-quarters, in which she led throughout to win handily from Sherwood and Sir Blaise. The layers got a jolt when Maryland, a locally owned horse, won the race for Canadian breeders from the odds-on favorite, Rockspring.

Fent, winner of the Hotel Selling Stakes, was bid up to \$1,000 by Pat O'Neill and was bid in by the customary \$5 advance.

W. D. Farmer's Scully arrived from Saratoga this afternoon.

Several offers have been received by F. Israel for the contract on Jockey Kederis, including one from Jefferson Livingston, which is being given some consideration. In the event he signs with the Livingston stable, he will go to Lexington to ride during the fall meeting.

Jockey Snyder narrowly escaped serious injury this morning while galloping Spohn, when that horse collided with Travato. The latter was injured to such an extent that he will have to be thrown out of training.

A. G. Blakeley was an arrival from Saratoga, also Harry Shannon, who brought the horse Manlius. W. P. Fraser, secretary of the Canadian Racing Association, and G. M. Hendrie, president of the Windsor Jockey Club, were visitors at the track.

Jockey Willie Hopkins has returned from his home in Vermont.

James Johnston came from Hillcrest with the string he is training.

PROBABLY DOOMS MINERAL SPRINGS RACING.

Two Companies of State Troops Ordered to Porter Track by Governor Ralston of Indiana.

Yesterday probably saw the end of racing over the Mineral Springs track at Porter, Ind., at least until 1915, when an effort will be made to have the sport legalized in Indiana with the adjoint of parliament betting. While no official announcement was made yesterday that the racing would be declared off, it is tacitly understood that no further racing would be conducted over the course in the event that the militia, reported as having been sent to the track by Governor Ralston, camped on the grounds in the immediate vicinity. The soldiers, according to report, were to have reached the track from South Bend and Elkhart, Ind., while the sport was in progress yesterday, but had not put in an appearance when the last special race train left the track for Chicago. Anticipating the arrival of the soldiers the officials at the course bent every energy to run off the program of six races to give the owners an opportunity to win the purses provided for the day.

The announcement that Governor Ralston had decided to employ the methods of his predecessor in office, Governor Marshall, now vice-president, came like a thunderbolt from a clear sky. To the majority of patrons of the racing matters were apparently going along with the sport and it was the general idea that the sport had gained a permanent foothold. The county authorities had repeatedly conceded that under the system of betting in vogue they were powerless to secure a conviction in the courts and expressed the belief that as long as the bettors continued their operations to the system used there would be no attempt at interference.

Before the racing began it was stated that Prosecuting Attorney Fahlg, of Porter County, was in consultation with Governor Ralston in the executive office at Indianapolis and that matters would likely be adjusted, but it was later learned that two companies of state troops had been mobilized and were waiting instructions to move to the track. The order for the soldiers to proceed is said to have come from the governor after his talk with Prosecuting Attorney Fahlg.

General Manager Hyman stated after the last race that in the event of the soldiers not interfering with the racing the sport would continue as formerly for the remainder of the advertised term. The attendance yesterday probably was as great as at any time since the opening of the course.

TIMELY GOSSIP FROM LOUISVILLE.

Louisville, Ky., August 27.—J. W. Johnson, the central Kentucky lumber magnate, who owns the two high-class performers, Milton B. and Flora Fina, has a distillation of having made the first subscription to this year's renewal of the \$15,000 Kentucky Endurance Stakes, four miles, in the hangar and year this event. Bili, Mrs. Eugene Lutz made the first subscription and in the course of events named Messenger Boy to carry her colors, and that he proved the winner of the big race in the record time of 7:14.5.

Mr. Johnson has already named Milton B. as his first entry to the rich stake, which is set to be run at Churchill Downs on the opening day of that meeting, and the front of the Duke in the fall season. Mr. Johnson has Flora Fina engaged in the same two stakes, but it is believed that trainer James Everman saddles him for the four-mile race. He is engaged in the Douglas Park Handicap Handicap, one mile and a half, to be run on the opening day of the fall meeting at that track on Tuesday, September 23. He is also engaged in the \$5,000 Louisville Cup, two miles, which is to be run on Saturday, October 8, the closing day of that meeting, and the front of the Duke in the fall season. NOTES OF THE TURF.

C. Jackson, who has been riding successfully at Hillcrest, is a colored boy.

Probable starters in the Futurity at Saratoga Saturday include Flitaway, Brighurst, Early Rose, Southern Maid, Vandergrift, Pennant, Form and Triumph. Pennant probably will rule favorite. The race will be worth over \$20,000.

Southern Maid is a blocky filly, with noticeably heavy quarters and big ears. Her dam, Sally K., is by Mithril out of Unshifty, dam of King James. The latter got his top ears from his dam, and Southern Maid goes back to the same mare for hers.

Trainer Matt Feakes decided not to ship the stable of Mrs. L. A. Livingston to Ottawa for the Connaught Park meeting and the horses will remain at Blue Bonnets for the opening of the fall meeting there. They are reported to be doing well in training.

Starter Murs Cassidy has the Saratoga schooling list down to a few horses, including Old Rosbud, Rock View, Big Dipper, La Bouda, Bristle and Great Surprise. There are few more actors among the 600 horses at the Spa. Salon and Bohn Belle being the worst.

George M. Odum has bought the A. B. Hancock yearlings, fifteen in number. These are the get of Colt and Highland. Last year William Garth bought the Hancock outfit, but this year the Sage of Albemarle went to Kentucky and invested in some of John Madden's high-priced youngsters.

ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

C. H. K., Chicago. The reference number on Super in race 10652 should have been 10652.

M. F. M., Chicago. Articulante was raced over Chicago tracks in 1902, when a four-year-old, and among his races here won four at Washington Park.

E. F. H., St. Louis, Mo. If the bet was at a price fixed by the bookmaker at the time it was made, it won. If it was at odds, it was a loss, unless the bookmaker operates under the rule that added starters run for his book.
